ETC’S #1 GOAL? CUSTOMER SATISFACTION.
ETC prides itself on providing professional, reliable, and prompt service that meets customers’ needs every time. We’re committed to completing projects with a five- to seven-day turnaround. In addition, we also support customers with emergency and after-hours services, and with product pickup and delivery available in select areas.
INTREN is changing the face of construction. We’ve been outperforming for our customers for 30 years—integrating our core values into the way we do business and serving as stewards of our customers’ goals.

With ETC Electrical Testing a part of INTREN, that legacy continues.

WHAT CAN YOU EXPECT WHEN YOU WORK WITH INTREN?

SAFETY
INTREN is committed to achieving best-in-class safety every single day. It’s what sets us apart. We reach toward our company-wide commitment of “target zero” through comprehensive safety protocols, along with ongoing and extensive education, training, and collaboration. Safety is about caring for our employees, our clients, and the customers they serve.

QUALITY
The INTREN customer-centric, ISO 9001:2015-compliant quality program is agile, scalable, and financially responsible. Our quality program provides stakeholders pragmatic solutions developed by subject matter experts that improve processes, create efficiencies, lower costs, and reduce waste.

CUSTOMER FOCUS
INTREN is an industry leader that delivers custom, innovative, and comprehensive solutions. We develop long-term partnerships while treating our customers’ needs as our own.

DIVERSITY
As one of the largest owned and operated WBEs in the utility contractor sector, INTREN is a first-tier 100% MWBE with a robust second-tier mentoring program and over 60 active registered MWBE companies. Whether it’s through a minority jobs training program or our support of diverse organizations nationwide, INTREN is committed to building excellence through diversity.

ENVIRONMENTAL SUSTAINABILITY
INTREN has made significant strides in measuring and reducing our impact on the environment. We’ve also begun to make long-term investments in technology and techniques that reduce emissions, and are dedicated to staying ahead of customer demands. From purchasing 50% renewable clean energy to utilizing eco-friendly vehicles and non-potable water for boring, INTREN has turned commitment into action!
