

INTREN Job Fair

The future of

energy.

INTREN

For 30 years, INTREN has been outperforming for some of the largest utility companies in the country, setting our sights on success every day. A proud WBE, you can find safety, quality, customer focus, diversity and environmental sustainability integrated into all we do.

As one of industry's leading specialty contractors, we are looking for people with a passion for teamwork and a thriving culture. If you are interested in a fulfilling career in a company that puts people first, please attend our upcoming job fair!
